

NEW TESTAMENT BOOKS

You will need:

- Board game printed
- Numbered cards
- Plastic counter for each player
- Dice
- 2–4 players

Instructions:

Ensure numbered cards are in the correct order; there are 2 cards of each number up to 27. Place coloured cards and white cards face down (ie. the question side down) in separate piles on the board.

Each player chooses a plastic counter and places them at the 'Start' position.

Players select a starter, and that person throws the dice. Noting the number thrown, the player moves that number of places along the squares on the board, and stops.

If the player lands on a numbered square, the next player (moving clockwise) finds the coloured card with that number and asks the player the question on the back. If answered correctly, the player stays on that square. If the answer is incorrect, the player goes back to the square they moved from.

The next player takes their turn throwing the dice, and so on.

If a player lands on a Q square, the next player picks up the top Q card and asks the question. If answered correctly, the player stays on that square. If the answer is incorrect, the player goes back to the square they moved from.

When nearing the finish, players must throw the number required to land on 'Finish', ie. not more than that number. The first person to the finish wins.
