

Kia ora kids!

It's so great to see you

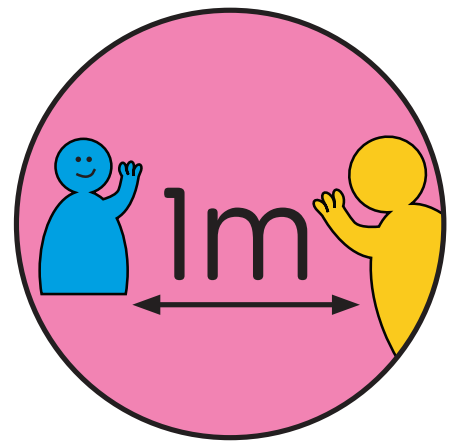

To keep our church whānau safe in **Level 2**, we:

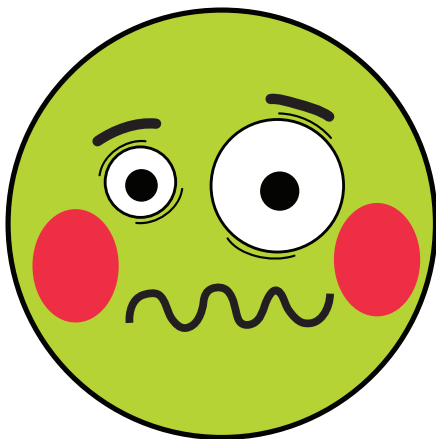

Keep our hands
clean

Cough and sneeze
into our elbows

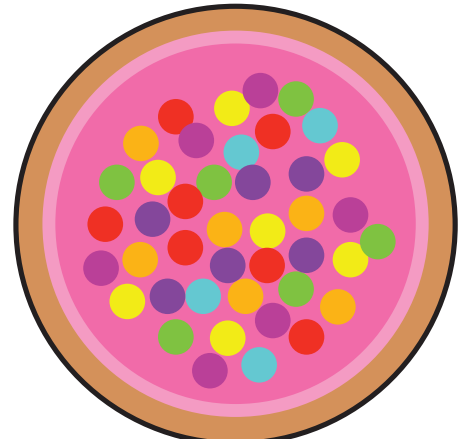

Keep our distance
from each other

Tell an adult if
we're not feeling
well, and stay at
home if we're sick

Use our words to
say hi and share
the peace

Don't lick all the
biscuits
